

TEXI APOLLO 68 / 101

Apollo 68 / Apollo 101

SN	Part name
1	handle
2	right-handle set
3	right key cover
4	right locking key
5	crank
6	locking pins
7	handle-spring
8	Heated sheet shaft
9	spindle sleeve
10	plastic connecting bar
11	iron connecting bar
12	L iron plate
13	supporting plate
14	plectrum
15	shaft
16	transparent board
17	decorated cover
18	cover
19	main PCB board
20	body
21	M6*35 screw
22	spring upper fixing seat
23	frame plate
24	rear leg
25	link block
26	PCB(display) board
27	rear fixed plate
28	carriage
29	pressure spring
30	touch switch
31	outlet
32	base
33	Heated sheet subassembly
34	Tap connectors
35	water tank
36	wooden iron sheet
37	sponge
38	coating
39	heated sheet
40	short heater
41	temp fuse
42	hanger plate
43	micanite plate
44	heated sheet cover
45	hanger plate
46	heater tablet
47	long heater
48	pressure plate
49	track plate
50	pipe joints
51	pump
52	obturating ring
